Note pages 8,10,12 where above children are shown as baptised, do not show the names of the parents. This is a part of the 1859 church census. But the Family Register for Antje, wife of Harm Balzen, Anna, wife of Relf Frerichs, Anecke (Antke) wife of Heinrich Gerdes and Harm De Groot, ALL show that Harm Behrens De Groot was the father, and Weke nee Henrieks was the mother. Nothing other is found about Harm Behrens De Groot, either he died in Germany or he was divorced for Weke (which might explain the absence of parents names in church census).

Note: Weke nee Henrieks may be the sister of Riekste nee Henrieks Balzen. It is said that Harm Balzen married a cousin Antje De Groot, daughter of Weke in which case they are sisters (Riekste & Weke).

Weke Henrieks is found in the ~~xxxxxx~~ 1860 census living as head of Household with Heinrich -24yrs. old, Antje, 17yrs. old, and Harm, 10yrs. old. Weke is shown as 50yrs. old but Harm Behrens de Groot is not shown. Christina Henrieks, age 69 yr. is shown. Riekste Balzen nee Henrieks is not shown as she died in 1860 before the census was taken.

See page 50 & see page 151 for Harm Behrens, not Harm Behrens De Groot..
